

12 Life Lessons from Haggai

Pastor Brian

Sometimes I hear people say that the Bible is not relevant to life today. To which I say, "Really?" Check out these 12 lessons we've learned from the brief Book of Haggai during our "Now is the Time" series.

1. God's purposes must have priority over our pursuits
2. When procrastination sets in, determine to be proactive
3. The presence of the Lord is the antidote to despair
4. Because you have been saved to serve, stay on mission
5. Dissatisfaction is designed to lead us to find satisfaction in God alone
6. Remember the past while embracing the present in order to be faithful in the future
7. It's never too late to do what's right
8. God works His way and His will for His glory
9. Becoming holy requires intentional effort; being unholy requires no effort
10. It's important to obey today
11. Disobedience brings discipline and obedience leads to blessing
12. God is sovereign over the nations and the future
