

Cooperate With God Who Desires to Bless

Genesis shows the handprint of God on His creation and gives us history lessons on how God loves us and seeks to bless us if we acknowledge His directives and cooperate with His purposes. The book of Jude is a one-chapter book that reminds us of the uncomfortable consequences of a life that rejects the authority of God. The content of these two books span the ages of time and plead for us to trust and cooperate with our Creator.
