

## Working Through Life's Struggles

Struggle is a part of life. All people struggle. The issue is, will I experience struggle with the help of God, or will I venture out on my own and not experience the help He wants to give so graciously? Struggle shows us we need someone stronger and wiser than us to survive and even flourish despite the difficulties and trials. The best question to ask in the middle of difficulties is not "God, why is this happening to me?" but rather "God what do you want me to do with this situation?" Faith in God works! Job, Jeremiah, and James experienced it – you can too!
