

The Gospel is Good News

Everyone loves good news, but if you are like most, you would rather hear the bad news before the good news. The bad news is we are all sinners in need of a Savior. Our sin separates us from God, but the good news is Jesus came in order to bridge that gap and offer us salvation and an eternity with Him. That is something Paul (the author of Romans) and the author of Hebrews understood very well. The Holy Spirit of God inspired them to write in order for us to truly understand the good news of the Gospel and that nothing can separate us from His love!
