

## The Promised Messiah

The book of Isaiah is a very full book; from Israel's history, to the throne room of God, and to the promised Messiah. There is much prophecy Jesus fulfilled with His coming in the New Testament. Many Jews have actually come to faith in Jesus as a result of what they have read about Him in chapter 53 as the suffering servant. We also see a picture of what is expected of God's people and future believers, to care for the poor, the needy, the marginalized and to bring good news that He alone has the power to save.
