

Bible Reading Plan 2023

June 2023 – Understanding the Times

The books of I & 2 Chronicles follow closely with the books of I & 2 Samuel and I & 2 Kings (of which we have already read) with added information about the priests of the time. Over and over in Samuel and Kings we see the phrase, “Now the rest of the acts of [insert king’s name] and all that he did, are they not written in the Book of the Chronicles of the Kings of Israel (or Judah)?” These Chronicles were written (possibly by Ezra) for the children of Israel returning from exile in order to understand their history and God’s faithfulness despite Israel’s sin. They also feature the most extensive genealogies in Scripture, although tedious, for the purpose of a history and the work of God in the lives of individuals. And God’s work in our lives and the world around us is the first key in understanding the times in which we live.
