

Bible Reading Plan 2023

February 2023 - Triumph and Tragedy

The book of 2 Samuel recounts the establishment of David's reign and rule over the children of Israel. David is the most well-known of Israel's kings, he wrote many Psalms, and is often referred to throughout Scripture. However, David's sexual sin and others that followed had devastating consequences on himself, his family, and God's people for generations to come. His son Solomon who ruled after him, likewise had many successes and failures. God granted him much wisdom, he was responsible for the building of the first temple, and wrote a handful of the books of the Bible. Yet if we learn anything from their lives, it is the fact that starting well is one thing, but finishing well is a completely different thing.

Further Application Questions

Is there a...

Sin to confess? Promise to claim? Example to follow? Command to obey? Stumbling block to avoid?

Bible Memorization

"Therefore you are great, O LORD God. For there is none like you, and there is no God besides you, according to all that we have heard with our ears." - 2 Samuel 7:22
